NEWTON COLLEGE
OF THE
SACRED HEART

Dedicated
with love and gratitude
to our parents

We move in a dialogue with the seasons, progressing from wonder to expectation to fulfillment.

We are whole, and yet, each one is alone, one mind, one spirit, trying always to communicate, always to grow. Inner aspirations and outer commitments ebb and flow as dialogue with others leads from first awakening to final fruition.

The white of winter which had first been autumn gold, turns finally to the deepening pastels of spring. With the spring, we complete our dialogue, but an end is a new beginning. Our dialogue, we see, must be a continuing, renewed, living dialogue, which had its beginning — but only its beginning — at Newton.
